

SKATE DOLLIES

**UP TO
150KG**

TIMBER DECK

Richmond's timber deck dollies feature slip-resistant corner pads, polypropylene wheels and an ergonomic handle. They are ideal for moving loads up to 150kgs, making them an economical solution for lighter loads.

RUBBER DECK

Richmond's original Skate Dollies feature a grooved, slip-resistant deck, rounded rubber corners to reduce damage to walls and furniture, and non-marking rebound rubber castors. With load capacities up to 500kgs, they are the ideal solution for moving heavy duty items.

**UP TO
500KG**
